

WINDOW #700

Installed in December 1968.

A plaque below this window reads:

“PRAISE BE TO THEE O CHRIST”

In loving memory of Rita Banister Vaughan-Birch, 1915-1968. The centre window above the Altar was given by her friend Olive Welch Stuart—both pioneer daughters of Alberta. The window designed by the Rector was installed with gifts from St. Hilda's School Old Girls Association, Calgary, Alberta, December 1968.

“The whole history of religion proves that the Word must always become Flesh in order to gain admission to the human heart”
